Hoffman SummerWood Community Residents Exhibit Artwork

The residents of Hoffman SummerWood Community exhibited their artwork recently at an event organized by art instructor, Paul Gobell and SummerWood activity manager, Patricia Vega. The exhibit, attended by residents, staff and community guests, allowed our artists to display their amazingly creative paintings alongside Mr. Gobell's. Mr. Gobell's work has been exhibited in museums and galleries, including the New Britain Museum of American Art and Maskarades in New Orleans.

Thirty-five paintings were displayed throughout the room as guests mingled with the artists. Splashes of brilliant color, paintings of fragrant roses, magnificent landscapes and still life images enlivened the room as the residents excitedly chatted about their art experience. Everyone who attended the exhibit was delighted to see the visually stimulating art work showcasing abstract, impressionistic and realistic styles. More exhibits will be scheduled for later this year.

Hoffman SummerWood Community, a member of the Hebrew Health Care family, is an assisted living community in West Hartford. SummerWood first opened its doors in 2001 and is currently building an additional 43 apartments to be opened in June, 2009. For more information about SummerWood, call Valerie Bartos, Director of Community Relations, at 860-523-3808.
