

Hoffman SummerWood Community
National Assisted Living Week
Traditions of the Heart Celebration

Hoffman SummerWood Community took part in the 15th annual National Assisted Living Week. This year's theme, "Traditions of the Heart" provided SummerWood with an opportunity to recognize the traditions of our residents and to share in the celebration of their lives. SummerWood asked residents and family members to submit family traditions that are unique and special to them. From submissions ranging from Holiday Foods Traditions to Passover Traditions, a keepsake booklet was created and distributed. On Friday, September 18th, residents, family members, and staff gathered while the selections from the booklet were read. There were sounds of laughter and tears of appreciation as members proudly shared the memorable traditions that allow generations of family to stay connected.
